Guest Speaker:

Lois DiStefano talked about the assisted living program they have at Glen Arden.

Nancy Proyect from Orange County Citizens Foundation spoke about ways she can help Cornwall with their placemaking efforts.

Old Business:

- The clock in town is working. During the fix a light fixture shattered. Rich is looking into replacing the neon bulb with an LED bulb.
- The town applied for a grant for the Pocket Project on Bridge Street. They should have an answer by September.
- Shred & Electronic Day was a great success. Next year the plan is to expand pick up to prescription drugs, Hazardous Waste, Clothing & Textile.

New Business:

- New Windsor Community Day is August 29th, GCCC would like to participate by having a booth and is looking into having chamber members all together for those who wish to participate.
- The Chamber Expo needs 25 businesses interested in participating in order to proceed with planning. There are enough members interested and a committee signup sheet went around to make a good start for planning.
- The Communications Committee has been working hard on getting the Outdoor Activities Campaign moving. They have a list of 20 organizations wanting to be a part of this great campaign.

Thank you to the staff at SportsPlexr for hosting our meeting and to Francis for a delicious dinner

Respectfully submitted,

Stacey Lyle
