ORANGE COUNTY
CHAMBER OF COMMERCE

April 28, 2021

Respectfully to the Town of Cornwall Supervisor and Board Members,

On behalf of the Orange County Chamber of Commerce, this letter is written in support of The Greater Cornwall Chamber of Commerce's request to amend the current New York Supplementary Regulation 158-16: Accessory Parking Regulation.

The request of the Chamber to implement changes that would support small business development and growth at a time when our communities are in such desperate need of assistance in any form is commendable and should be supported. Specifically, by amending said regulation, the town will be supporting existing businesses as well as attracting additional growth to its economic development.

For these reasons, as well as those outlined in The Greater Cornwall Chamber of Commerce's request, again, the County Chamber, supports the amendment.

Sincerely,

Heather Bell-Meyer
